

Heliosphere

Cat-Nr: -
Heliosphere

Artikel info:-

This is the new flagship in the pad sound library category. Wide atmospherical scenes, plain pads, subtle modulations. Layered even with natural environs and special sound effects. Each element can be controlled individually in the Multi section. An impressive collection of versatile pad and spheric soundscapes, chords, lead lines.

The 3.5 GB sample library provides over 200 carefully programmed and multisampled instruments and one shots, some of them in XXL length version. Additional 100 Multi Instruments with ready-to-use layers. Each sound can be modified easily by opening the module rack of each layer.
